

Girls Getaway to Napa - More Wine Please!

After our tour of Hourglass, we drove to the Kenzo Estate (www.KenzoEstate.com), which is located in Napa and about 40 minutes away from Hourglass. Owner Kenzo Tsujimoto, chairman of Japan's Capcom Group, has a true love of wine and dedication to the art of winemaking. My favorite Kenzo wine was the Murasaki (means purple in Japanese), which is a blend of Cabernet Sauvignon, Merlot, Cabernet Franc and Petit Verdot. We were also treated to an amazing lunch that was a beautiful salad from Bouchon Restaurant complete with incredible tomatoes and delicious cheese. The gorgeous view of the winery made lunch even better, and we decided we didn't want to leave.
