Kenzo Estate opens in Napa

Official unveiling: Kenzo Tsujimoto, chairman and founder of the Japanese video game empire that produces "Street Fighter" and "Resident Evil," opened the elegant Kenzo Estate — a winery, vineyard, wine cave and tasting room — on July 1 in Napa. Winemaker Heidi Barrett and vineyard manager David Abreu were on hand to greet guests, who dined on fancy fare created by chef Thomas Keller that was paired with wines from Kenzo Estate's portfolio.
